Preordered DVD's will be available for pickup by the player at a football practice in the coach's locker room the following week after the game. This is a copy of the coach's video. This video is whole field view with no play by play audio. The Year End Video is a complete highlight set including highlights from all three squads, special features, coach's interviews, etc. and is a two-DVD set. Senior Speeches include both the speeches from the senior players and the Varsity Awards ceremony from the end of season banquet. The Year End Video and Senior Speeches are distributed before Christmas break. For those electing shipping, the disks will be sent to the players' home address before Christmas break.

*BluRay format is a 1080i HD picture on the Varsity highlights and can only be played on BluRay players. Special features, JV and Frosh are in standard resolution.
